### COMMUNITY OUTREACH

Part of the PCAC at Emerge's mission is to make the arts accessible to the entire community. For every five paid programs, one is completely free and targeted towards at-risk or underprivileged youth. We do this through after-school music and art programs in the Pitt County Public Schools, artist in residency programs, and our Youth Arts Initiative program, which includes scholarships and our Youth Public Arts Project.

**Youth Public Arts Project** is our longest running outreach program. This is a bi-weekly program where at-risk youth come to the arts council to work with professional artists and social work interns to create various public art projects. The public art is then displayed throughout the community.

**Art is Good Medicine** is an Arts in Healthcare program in partnership with local healthcare providers such as Vidant Health. Professional visual artists and dancers work with adult and pediatric cancer patients and survivors. In addition, we offer free workshops to cancer patients, survivors, family members, and caregivers.

**Scholarships** are offered to underprivileged children in our community to attend classes and workshops free of charge.

**Help keep the arts in our schools!**

Your dollars will be matched by North Carolina Arts Council funds to bring professional dance, music, theatre, and visual artists to our public schools for performances and residencies. It also helps after school arts clubs where art and music teachers stay after school once a week for a free art club.

### CERAMICS & POTTERY CONT.

#### EVENING CLASS OPTIONS

##### Topics in Ceramics: Living Large in the New Year

*Tuesdays 6:00pm-8:30pm*

It's "Resolution Season" and this is the time of year when everyone wants to lose weight, reduce debt, minimize clutter, etc. It seems like everyone wants to make things smaller. But not you! You want to get bigger...pots. So if your New Year's goal is to make larger pots, this is the class for you. During this session, we will work through a series of exercises and techniques designed to help you make bigger pots than you currently are making. But bigger is only better if the pot is well thrown. So class demonstrations and discussions will emphasize good and efficient throwing techniques. Potters should be able to center and pull 2lbs of clay.

Instructor: Rae Brown

Supply Fee: \$20 per bag of clay - covers glazes & firing as well.

Ages 18 and up or by special permission for senior project.

##### Spring 2017: Session 1: January 17 - February 21 (6 classes)

Cost: \$85 for emerge members, \$125 for emerge non-members

**ACT-54**

##### Topics in Ceramics: If Only Pandora's Box had a Better Fitting Lid

*Tuesdays 6:00pm-8:30pm*

Lidded vessels present technical and aesthetic challenges for all potters. However, once potters achieve mastery over well-fitting lids, they can make better teapots, sugar jars, and cookie jars. This concentrated study of lids will introduce the potter to drop-lids, cap lids, and bowl lids. The session is chocked full of tips that will help you make better fitting lids. In addition to technical instruction, aesthetic considerations for lid and knob selection will be addressed. We will also have extensive discussions regarding firing and glazing techniques. This class is project driven and will allow students to take home several functional pieces. Potters should be able to center and pull 2lbs of clay. [Min. 6, Max. 8]

Instructor: Rae Brown

Supply Fee: \$20 per bag of clay - covers glazes & firing as well.

Ages 18 and up or by special permission for senior project.

**ACT-55**

##### Topics in Ceramics: Cylinders - Variations of a Theme

*Tuesdays 6:00pm-8:30pm*

Doritos/Cool Ranch Doritos; iPad/iPad Air; NCIS/NCIS Los Angeles/NCIS New Orleans. A good idea can be re-worked into many forms – and pottery is no different. Since there are so many great designs, why should we limit ourselves to just one? In this session, you will make 3 different chip and dip servers and 2 different dipping bowls. Each design introduces diverse throwing challenges, multiple alteration techniques, and many glazing options. There is a lot to be learned by revisiting a theme! Potters should be able to center and pull 2lbs of clay. [Min. 6, Max. 8]

Instructor: Rae Brown

Supply Fee: \$20 per bag of clay - covers glazes & firing as well.

Ages 18 and up or by special permission for senior project.
