##### Topics in Ceramics: Boot Camp for Potters -

*Tuesdays 6:00pm-8:30pm*

It is 2018! If your New Year's Resolution List includes improving throwing skills or learning new ones, then this is the class for you. Each week we will focus on a particular skill to be addressed by a series of practice drills designed to hone your abilities. Boot Camp will really benefit intermediate potters in their pursuit of mastery. But, if you are still in the early stages of ceramics, then it is also the perfect opportunity to establish strong fundamental skills. Although this session is not project driven, many of the pots resulting from the exercises can be made into finished pieces. Don't delay, enlist today! Potters should be able to center and pull 2lbs of clay. [Min. 6, Max. 8]

**Instructor:** Rae Brown

**Supply Fee:** \$20 per bag of clay - covers glazes & firing as well. Ages 18 and up or by special permission for senior project.

Then this survey of surface decorative techniques may be just what you need to inspire you to make pots that are distinctively your own. We will address surface decorating options at each phase of the ceramic process: wet, leather hard, and bisque. This session will emphasize wheel throwing only as related to surface decoration and potters will be expected to bring pots/tiles to practice various techniques. At the end of the class, potters will have several new decorative skills in their repertoire to continue developing pots that are as unique as the potter that made them. Potters should be able to center and pull 2lbs of clay. [Min. 6, Max. 8]

## MINI MASTERS (AGE 3-5)

The Young Artist Mini Masters Program here at Emerge caters to children ages 3 to 5. This is a drop off camp program. Camp activities introduce young children to all areas of art, including pottery, painting, drawing, and more! We ask that all children enrolling in the program camps be potty trained.

## EMERGING ARTISTS (AGES 6-10)

## ADVANCED YOUTH (AGE 11 & UP)

The Youth Advanced Art Program at Emerge is a great opportunity for "tweens" and teenagers to expand their knowledge and expertise in various areas of fine art. We pride ourselves on high quality, hands-on activities not capable in most schools such as metal design, potter's wheel techniques, alternative photography, painting with advanced methods & materials, and more.

Please be aware that we require a minimum number of children per class. On days of low enrollment children may be grouped into classes differently, or in the same class, however, they will always be separated into groups by age.*
