Community Outreach

Part of the Emerge Gallery & Art Center’s mission is to make the arts accessible to the entire community. For every five paid programs, one is completely free. We do this through art programs geared towards those affected by cancer in the hospital, artist in residency programs, and our Youth Arts Initiative program, which includes scholarships and our Youth Public Arts Project.

Youth Public Arts Project is our longest running outreach program. Started in 2005, this is a bi-monthly program, where youth come to Emerge Gallery & Art Center to work with professional artists and musicians to create various public art projects and learn about the rich heritage of African American music. The public art is then displayed throughout the community.

Art is Good Medicine is an Arts in Healthcare program in partnership with ECU Health and the McConnell-Raab Hope Lodge. Professional visual artists work with adults in the ECU Health Cancer Center, along with the McConnell-Raab Hope Lodge, and pediatric patients in the Maynard Children’s Hospital. In addition, we facilitate free adult workshops at the ECU Health Cancer Center.

Scholarships are available to our community in need to attend classes free of charge.

Please contact Paula Rountree, Programs Director at paula@emergegallery.com for more information.
